

2027 INDUSTRY PARTNER GUIDE

THE POWER OF PARTNERSHIP

KAIA's Industry Partner program and additional marketing opportunities are designed to leverage the power of collaboration and relationship-building. Using a tiered approach, our IP program allows each company to choose a partnership and premium add-on exposure based on the level of interaction and visibility they are looking for with Kansas independent agents. All of our partner levels provide companies with maximized, year-round exposure and opportunities to maintain relationships with KAIA member agencies and their employees.

Your investment as an Industry Partner is an investment to grow, support and sustain the independent agent industry. Together, we can protect, promote and grow the independent insurance system in Kansas for years to come.
